(a) In General.—Section 1927 of the Social Security Act (42 U.S.C. 1396r–8) is amended by adding at the end the following new subsection:

“(l) State Option To Pay For Covered Outpatient Drugs Through Risk-Sharing Value-Based Agreements.—

“(1) In General.—Beginning January 1, 2022, a State shall have the option to pay (whether on a fee-for-service or managed care basis) for covered outpatient drugs that are potentially curative treatments intended for one-time use that are ad-
ministered to individuals under this title by entering into a risk-sharing value-based payment agreement with the manufacturer of the drug in accordance with the requirements of this subsection.

“(2) SECRETARIAL APPROVAL.—

“(A) IN GENERAL.—A State shall submit a request to the Secretary to enter into a risk-sharing value-based payment agreement, and the Secretary shall not approve a proposed risk-sharing value-based payment agreement between a State and a manufacturer for payment for a covered outpatient drug of the manufacturer unless the following requirements are met:

“(i) MANUFACTURER IS PARTY TO REBATE AGREEMENT AND IN COMPLIANCE WITH REQUIREMENTS.—The manufacturer has a rebate agreement in effect as required under subsections (a) and (b) of this section and is in compliance with all applicable requirements under this title.

“(ii) NO INCREASE TO PROJECTED NET FEDERAL SPENDING.—

“(I) IN GENERAL.—The Chief Actuary certifies that the projected payments for each covered outpatient drug of the manufacturer for payment for a covered outpatient drug of the manufacturer are not greater than the projected payments for such drug of the manufacturer for payment for a covered outpatient drug of another manufacturer.
drug under such proposed agreement would not result in greater estimated Federal spending under this title than the net Federal spending that would result in the absence of the agreement.

“(II) NET FEDERAL SPENDING DEFINED.—For purposes of this subsection, the term ‘net Federal spending’ means the amount of Federal payments the Chief Actuary estimates would be made under this title for administering a covered outpatient drug to an individual eligible for medical assistance under a State plan or a waiver of such plan, reduced by the amount of all rebates the Chief Actuary estimates would be paid with respect to the administering of such drug, including all rebates under this title and any supplemental or other additional rebates, in the absence of such an agreement.

“(III) INFORMATION.—The Chief Actuary shall make the certifications
required under this clause based on the most recently available and reliable drug pricing and product information. The State and manufacturer shall provide the Secretary and the Chief Actuary with all necessary information required to make the estimates needed for such certifications.

“(iii) LAUNCH AND LIST PRICE JUSTIFICATIONS.—The manufacturer submits all relevant information and supporting documentation necessary for pricing decisions as deemed appropriate by the Secretary, which shall be truthful and non-misleading, including manufacturer information and supporting documentation for launch price or list price increases, and any applicable justification required under section 1128L.

“(iv) CONFIDENTIALITY OF INFORMATION; PENALTIES.—The provisions of subparagraphs (C) and (D) of subsection (b)(3) shall apply to a manufacturer that fails to submit the information and documentation required under clauses (ii) and
(iii) on a timely basis, or that knowingly provides false or misleading information, in the same manner as such provisions apply to a manufacturer with a rebate agreement under this section.

“(B) CONSIDERATION OF STATE REQUEST FOR APPROVAL.—

“(i) IN GENERAL.—The Secretary shall treat a State request for approval of a risk-sharing value-based payment agreement in the same manner that the Secretary treats a State plan amendment, and subpart B of part 430 of title 42, Code of Federal Regulations, including, subject to clause (ii), the timing requirements of section 430.16 of such title (as in effect on the date of enactment of this subsection), shall apply to a request for approval of a risk-sharing value-based payment agreement in the same manner as such subpart applies to a State plan amendment.

“(ii) TIMING.—The Secretary shall consult with the Commissioner of Food and Drugs as required under subparagraph (C) and make a determination on
whether to approve a request from a State for approval of a proposed risk-sharing value-based payment agreement (or request additional information necessary to allow the Secretary to make a determination with respect to such request for approval) within the time period, to the extent practicable, specified in section 430.16 of title 42, Code of Federal Regulations (as in effect on the date of enactment of this subsection), but in no case shall the Secretary take more than 180 days after the receipt of such request for approval or response to such request for additional information to make such a determination (or request additional information).

“(C) Consultation with the Commissioner of Food and Drugs.—In considering whether to approve a risk-sharing value-based payment agreement, the Secretary, to the extent necessary, shall consult with the Commissioner of Food and Drugs to determine whether the relevant clinical parameters specified in such agreement are appropriate.
“(3) INSTALLMENT-BASED PAYMENT STRUCTURE.—

“(A) IN GENERAL.—A risk-sharing value-based payment agreement shall provide for a payment structure under which, for every installment year of the agreement (subject to subparagraph (B)), the State shall pay the total installment year amount in equal installments to be paid at regular intervals over a period of time that shall be specified in the agreement.

“(B) REQUIREMENTS FOR INSTALLMENT PAYMENTS.—

“(i) TIMING OF FIRST PAYMENT.—

The State shall make the first of the installment payments described in subparagraph (A) for an installment year not later than 30 days after the end of such year.

“(ii) LENGTH OF INSTALLMENT PERIOD.—The period of time over which the State shall make the installment payments described in subparagraph (A) for an installment year shall not be longer than 5 years.

“(iii) NONPAYMENT OR REDUCED PAYMENT OF INSTALLMENTS FOLLOWING
A FAILURE TO MEET CLINICAL PARAMETER.—If, prior to the payment date (as specified in the agreement) of any installment payment described in subparagraph (A) or any other alternative date or time frame (as otherwise specified in the agreement), the covered outpatient drug which is subject to the agreement fails to meet a relevant clinical parameter of the agreement, the agreement shall provide that—

“(I) the installment payment shall not be made; or

“(II) the installment payment shall be reduced by a percentage specified in the agreement that is based on the outcome achieved by the drug relative to the relevant clinical parameter.

“(4) NOTICE OF INTENT.—

“(A) IN GENERAL.—Subject to subparagraph (B), a manufacturer of a covered outpatient drug shall not be eligible to enter into a risk-sharing value-based payment agreement under this subsection with respect to such drug unless the manufacturer notifies the Secretary
that the manufacturer is interested in entering
into such an agreement with respect to such
drug. The decision to submit and timing of a
request to enter into a proposed risk-sharing
value-based payment agreement shall remain
solely within the discretion of the State and
shall only be effective upon Secretarial approval
as required under this subsection.

“(B) Treatment of Subsequently Approved Drugs.—

“(i) In General.—In the case of a
manufacturer of a covered outpatient drug
approved under section 505 of the Federal
Food, Drug, and Cosmetic Act or licensed
under section 351 of the Public Health
Service Act after the date of enactment of
this subsection, not more than 90 days
after meeting with the Food and Drug Ad-
ministration following phase II clinical
trials for such drug (or, in the case of a
drug described in clause (ii), not later than
March 31, 2022), the manufacturer must
notify the Secretary of the manufacturer’s
intent to enter into a risk-sharing value-
based payment agreement under this sub-
section with respect to such drug. If no
such meeting has occurred, the Secretary
may use discretion as to whether a poten-
tially curative treatment intended for one-
time use may qualify for a risk-sharing
value-based payment agreement under this
section. A manufacturer notification of in-
terest shall not have any influence on a de-
cision for approval by the Food and Drug
Administration.

“(ii) APPLICATION TO CERTAIN SUB-
SEQUENTLY APPROVED DRUGS.—A drug
described in this clause is a covered out-
patient drug of a manufacturer—

“(I) that is approved under sec-
tion 505 of the Federal Food, Drug,
and Cosmetic Act or licensed under
section 351 of the Public Health Serv-
ice Act after the date of enactment of
this subsection; and

“(II) with respect to which, as of
January 1, 2022, more than 90 days
have passed after the manufacturer’s
meeting with the Food and Drug Ad-
ministration following phase II clinical
trials for such drug.

“(iii) PARALLEL APPROVAL.—The Secretary, in coordination with the Admin-
istrator of the Centers for Medicare & Medicaid Services and the Commissioner of
Food and Drugs, shall, to the extent prac-
ticable, approve a State’s request to enter
into a proposed risk-sharing value-based
payment agreement that otherwise meets
the requirements of this subsection at the
time that such a drug is approved by the
Food and Drug Administration to help
provide that no State that wishes to enter
into such an agreement is required to pay
for the drug in full at one time if the State
is seeking to pay over a period of time as
outlined in the proposed agreement.

“(iv) RULE OF CONSTRUCTION.—
Nothing in this paragraph shall be applied
or construed to modify or affect the time-
frames or factors involved in the Sec-
retary’s determination of whether to ap-
prove or license a drug under section 505
of the Federal Food, Drug, and Cosmetic
Act or section 351 of the Public Health Service Act.

“(5) SPECIAL PAYMENT RULES.—

“(A) IN GENERAL.—Except as otherwise provided in this paragraph, with respect to an individual who is administered a unit of a covered outpatient drug that is purchased under a State plan by a State Medicaid agency under a risk-sharing value-based payment agreement in an installment year, the State shall remain liable to the manufacturer of such drug for payment for such unit without regard to whether the individual remains enrolled in the State plan under this title (or a waiver of such plan) for each installment year for which the State is to make installment payments for covered outpatient drugs purchased under the agreement in such year.

“(B) DEATH.—In the case of an individual described in subparagraph (A) who dies during the period described in such subparagraph, the State plan shall not be liable for any remaining payment for the unit of the covered outpatient drug administered to the individual which is
owed under the agreement described in such subparagraph.

“(C) WITHDRAWAL OF APPROVAL.—In the case of a covered outpatient drug that is the subject of a risk-sharing value-based agreement between a State and a manufacturer under this subsection, including a drug approved in accordance with section 506(c) of the Federal Food, Drug, and Cosmetic Act, and such drug is the subject of an application that has been withdrawn by the Secretary, the State plan shall not be liable for any remaining payment that is owed under the agreement.

“(D) ALTERNATIVE ARRANGEMENT UNDER AGREEMENT.—Subject to approval by the Secretary, the terms of a proposed risk-sharing value-based payment agreement submitted for approval by a State may provide that subparagraph (A) shall not apply.

“(E) GUIDANCE.—Not later than January 1, 2022, the Secretary shall issue guidance to States establishing a process for States to notify the Secretary when an individual who is administered a unit of a covered outpatient drug that is purchased by a State plan under a risk-
sharing value-based payment agreement ceases
to be enrolled under the State plan under this
title (or a waiver of such plan) or dies before
the end of the installment period applicable to
such unit under the agreement.

“(6) TREATMENT OF PAYMENTS UNDER RISK-
SHARING VALUE-BASED AGREEMENTS FOR PUR-
POSES OF AVERAGE MANUFACTURER PRICE; BEST
PRICE.—The Secretary shall treat any payments
made to the manufacturer of a covered outpatient
drug under a risk-sharing value-based payment
agreement under this subsection during a rebate pe-
riod in the same manner that the Secretary treats
payments made under a State supplemental rebate
agreement under sections 447.504(e)(19) and
447.505(e)(7) of title 42, Code of Federal Regula-
tions (or any successor regulations), for purposes of
determining average manufacturer price and best
price under this section with respect to the covered
outpatient drug and a rebate period and for pur-
poses of offsets required under subsection (b)(1)(B).

“(7) ASSESSMENTS AND REPORT TO CON-
GRESS.—

“(A) ASSESSMENTS.—
“(i) IN GENERAL.—Not later than 180 days after the end of each assessment period of any risk-sharing value-based payment agreement for a State approved under this subsection, the Secretary shall conduct an evaluation of such agreement which shall include an evaluation by the Chief Actuary to determine whether program spending under the risk-sharing value-based payment agreement aligned with the projections for the agreement made under paragraph (2)(A)(ii), including an assessment of whether actual Federal spending under this title under the agreement was less or more than net Federal spending would have been in the absence of the agreement.

“(ii) ASSESSMENT PERIOD.—For purposes of clause (i)—

“(I) the first assessment period for a risk-sharing value-based payment agreement shall be the period of time over which payments are scheduled to be made under the agreement for the first 10 individuals who are
administered covered outpatient drugs
under the agreement except that such
period shall not exceed the 5-year pe-
period after the date on which the Sec-
retary approves the agreement; and

“(II) each subsequent assessment
period for a risk-sharing value-based
payment agreement shall be the 5-
year period following the end of the
previous assessment period.

“(B) RESULTS OF ASSESSMENTS.—

“(i) TERMINATION OPTION.—If the
Secretary determines as a result of the as-
essment by the Chief Actuary under sub-
paragraph (A) that the actual Federal
spending under this title for any covered
outpatient drug that was the subject of the
State’s risk-sharing value-based payment
agreement was greater than the net Fed-
eral spending that would have resulted in
the absence of the agreement, the Sec-
retary may terminate approval of such
agreement and shall immediately conduct
an assessment under this paragraph of any
other ongoing risk-sharing value-based
payment agreement to which the same manufacturer is a party.

“(ii) Repayment required.—

“(I) In general.—If the Secretary determines as a result of the assessment by the Chief Actuary under subparagraph (A) that the Federal spending under the risk-sharing value-based agreement for a covered outpatient drug that was subject to such agreement was greater than the net Federal spending that would have resulted in the absence of the agreement, the manufacturer shall repay the difference to the State and Federal governments in a timely manner as determined by the Secretary.

“(II) Termination for failure to pay.—The failure of a manufacturer to make repayments required under subclause (I) in a timely manner shall result in immediate termination of all risk-sharing value-based agreements to which the manufacturer is a party.
